Sally once again has an innovative activities schedule, and tennis is in full swing. The next major event is the Holiday Party, and I hope to see all of you. Our committee is working to make sure it's lots of fun.

Our ski trips are filling nicely. Are you "in"?

Hopefully you are in tune with discussing these events at our Happy Hours, as second Tuesday general membership doesn't happen again until February.

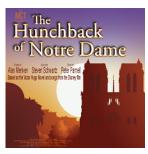

Have all of you done the membership renewal and then saved your membership card off the website?

So now you're signed up for 2019 and registered for one or more event - have you thought about stepping up to help lead a trip or a special event? If yes, please talk to any of us on your Board.

Enjoy.

Thank you to all members who joined Jay & Ellen at their November 3rd Wine Tasting Party! Here is how it went...

Big, Dry, Citrusy, Oaky, Buttery, A hint of dirty gym socks, Aroma, Up front, and Sweet were among the many words/phrases used to describe the 14 wines tasted by the 15 Tiroler & Main Line members last evening, Nov. 3rd, at the home of Jay & Ellen Minnicks. During the event six different cheeses, chosen to accompany the wines, were sampled as well. The tasting table was then expanded to seat all for a light supper of homemade chicken soup & dessert.

The hosts were happy to see folks move around to different conversation groups as old friends were greeted and new friendships were made. Though not all attendees were skiers; "Where & when are you going this ski season?" was a big part of the conversation.

We feel it safe to say that everyone had a good time, and we hope that club members will attend many more activities of their own clubs or any event that might be a combined one.
