## *A Message from our President*

Good afternoon. I am writing after attending two wonderful winter trips to Waterville Valley & Steamboat. 34 members rode the bus to Waterville Valley and thankfully came home with good memories and no injuries. We had incredible fresh powder for 44 of us to enjoy in Steamboat. It has been a delight to spend active and social time with many of you.

In a few weeks, a group of 38 is heading down the Mississippi to New Orleans. Hilton Head tennis is the final spring trip in early May.

It is great to report that all these events have been selling out - I also want to remind you that every trip has experienced late dropouts, so stay in touch with our trip leaders if you still want to sign up.

Sally's activities schedule posted to our website speaks to the wine n' dines, parties, and happy hours that are planned. Recall, we have membership events the second Tuesday in March and April. Also, we are posting trips by partner clubs that you may wish to attend. Please think about inviting a friend to one of our events.

Finally, I want to thank all of you for your memberships, and to again express the request of the Board that you ask about joining our leadership team should that be of interest. We will focus our March membership meeting on developing nominees for our annual April election. We look forward to hearing from you.

See you soon.

*Ralph von dem Hagen, President*

Hello MLSC Skiers.

Many of us are able to ski the Poconos on weekdays and would love to have another person to share the day with. So we are resurrecting SOW or Ski on Weekdays. Here is how it works: Send your name and email address to Fletcher Swanson at [hfwanson@gmail.com](mailto:hfwanson@gmail.com). He will add your email address to an email distribution list. When the list is complete he will send out a blast to all the names on the list.

Save that email! When you are planning a ski trip to the Poconos, recall this new email (referenced above), change the subject line, add your message to the body of the email and Reply to All.

Everyone on the list will get your message and will be able to see if their plans allow them to join you. If so, they will respond to you directly to make arrangement to meet you on the mountain or even perhaps to carpool.

This is a simple way to communicate with all the MLSC members who are interested in skiing the Poconos on weekdays.

Let's have some fun out there!
