## *A Message from our President*

Hello Main Line Ski Club members. I trust this finds each of you healthy and successfully managing the COVID challenges.

We haven't met in person since February, so I want to update you on plans from your Board. We will have a chance to discuss any questions or feedback from you at our virtual membership cocktail hour and meeting at 7:30 pm on Tuesday September 8. You will each receive instruction for joining this Zoom session.

Let's talk trips and activities. In person meetings are not possible at the moment, this includes our tradition wine & cheese, theater, walks & biking, and dinner events. These rules will change when it's appropriate.

The early February trip to Mount Snow will be a 'go' so long as at least 20 of us are committed and the ski hill is open. Linda LaChapelle is managing an excellent list of early signups. Sign ups have not been as strong for the March trip to Park City. Keep in mind for this and other trips that personal trip insurance is important.

The late February trip to Vail is also a 'go' based on early registration numbers. Fletcher Swanson is holding slots for new verbal commitments at the member meeting on September 8th. This is also the date for the first trip payment, which will tell us if we have enough firm commitments.

With all trips, your club cannot make significant financial down payments without sufficient commitments to participate. Roland Falkenstein is holding open the Utah trip plan for additional signups. Please get in contact soon if you are interested.

Our tennis program will be starting the first Sunday in November assuming our tennis club is

open. The Board has asked John Leese, our program manager, to recommend the number of courts we would commit to. John has contacted all who played in 2019-20 to determine interest. If you would like to be added & have not have responded, please respond directly to John Leese quickly.

Your Board voted to delay our Annual Member Appreciation Party until the Spring. We look forward to this event when it is safe to host all members.

Board elections are in full swing. Please get you ballots emailed to David Krahn by Sept 1. Election results will be announced on the 8th.

We want to know if there is interest in MLSC hosting virtual happy hours. Chime in at the member meeting September 8th with your feedback! We'll restart in-person HH when the law and our serving partners say it's ok.

Finally, membership renewal. Yes, it's that time. It's an on-line process through our website. Thank you in advance.

Enjoy the rest of summer, and stay healthy.

*Ralph von dem Hagen, President*
