A Message from our President

Hello warm weather. As vaccinations continue, I am hopeful it will soon be time to plan meet up events like the old days.

Short term you see walks, biking events, a joint happy hour with Tiroler, and even a July swim party to be announced shortly. Our monthly Membership Meeting & Social will restart again in September. Also, indoor tennis has just ended.

**MLSC next
Member Meeting
will be in
September.**

Your Board has approved planning for Western, New England, and European skiing next winter. We would like to hear your interest in a second mid- late March western trip. This is a topic for the delayed Vail post party, to which all interested in 2022 sponsored ski travel will be invited. Contact us if you would like to be added.

Thanks to all who maintained your 2020-21 membership or joined MLSC before April 1, 2021. In appreciation of your commitment, we have extended your membership to include a 2021-22 membership. This is complimentary as a thank you.

As in years past, we anticipate hosting our Member Appreciation event in late fall - likely November.

I look forward to our expanded meet-ups, hopefully you share my enthusiasm. And remember, invite a friend.
