## *A Message from our President*

Hello Main Line Ski Club members.

We are finally moving away from sweatshirts & masks, and into sunshine & planning in-person meetups. Hikes and Happy Hours are underway, and let us all remember to show our appreciation and sign up for Sally Hilderbrand's farewell gathering. Of course, vaccinations are assumed for all MLSC in person events.

Looking further forward, sign ups for our winter trips to Europe, Mt Snow VT, and Vail, CO are now open to members. New today are the details for our European trip to Lisbon, Portugal and St. Anton in late January.

If you are a skier, you are invited to Fletcher Swanson's post Vail deck event. We are in the process of determining if there is enough enthusiasm for a second 2022 Western trip in March to Park City, Utah. Look for that announcement soon.

Would you like to join your club's leadership team? We are searching to fill the position of Vice President. Responsibilities of this role predominately surround meetings, including a potential Fall member appreciation event.

This Ski Tracks bulletin includes information on a number of upcoming events. If you come across a future event the club may enjoy, send us a message. I look forward to seeing each of you in person.
