## *A Message from our President*

Hey all. We hope this note finds each of you enjoying summer your own way. Perhaps one or more of our get-together events has been part of it, but if not, be assured more opportunities are coming.

Next time you are drying off after a refreshing swim, you might want to think about travel next winter. Four ski trips continue to be part of the club's plan. All trip write ups have been emailed and posted to our website. They will be open for signup by our September meeting, if not sooner. Hopefully the Covid variants remain under control, but get yourself trip insurance for maximum flexibility.

Short term, there have been nice turnouts at recent events, and that is likely to continue. A first evening of in-person *Wine n' Dine* has arrived, happy hours are happening, and a second pool party is planned the last Saturday of August.

Many of you stopped by to wish Sally Hilderbrand good luck at her new digs in Virginia. She just wrote to thank Deb Pentz, our organizer, and all attendees for attending, and for the gift card made possible by your individual contributions.

Our Board will meet soon to consider format for a September meeting. Also on the agenda is a possible Wine and Cheese event, and a potential member appreciation party.

We are looking for a volunteer to virtually attend the EPSC Monday board meetings & inform the club of any relevant updates. Please contact me if you are interested.

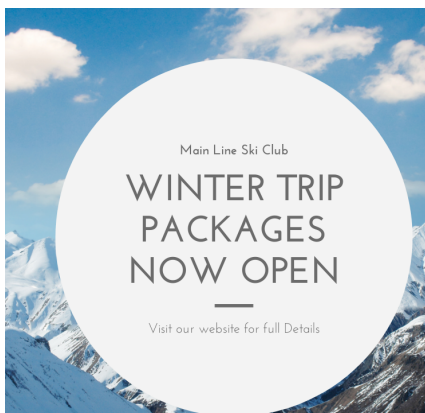

The Club is seeking a candidate for its Vice Presidency, a position which is very much involved in our agenda going forward. Self motivated, like to make things happen ?? Speak to a Board member.

## Swim Party

Thank you to those who joined the MLSC & Tiroler Swim Party at the Minnicks's Home.

Newcomers and repeat swimmers enjoyed the beginnings of a beautiful day in the pool, then a sprinkle turned to a downpour. We didn't let the rain get the party down. Members shifted inside to prep and enjoy Ham + trimmings followed by chocolate cake & 'Happy Birthday' sang to Rob Irvine. Members had a wonderful time and we hope you can join the fun next time around.

## Main Line Art Center Trip

In July, a great group of Tiroler & Main Line Ski Club members enjoyed a guided tour at the Main Line Arts Center followed by a leisurely visit to Stoneleigh, which is a Natural Lands site of huge trees, gardens, and swaths of green. Our

visit was followed by a delightful lunch at the White Dog Cafe. 15 members, 3 hours, information, fun, and camaraderie; how neat!

Appalachian Hikers has several trips planned over the next year and a half where we have locked prices in at PRE COVID levels. Travelers likely won't ever again see these kinds of savings for our "almost" all-inclusive pricing!! You may have seen on the news that prices for travel are skyrocketing! Do not worry as we have you covered! So check out our prospectus' for the following five trips for one (or more) that may be just right for you; openings are limited so act soon:

1. Ireland - The Wild Atlantic Way: August 31 through September 18 (7 openings). 2 of these openings are for a single female traveler and another for a male traveler.
2. Spain - The Camino de Santiago: From near the French border to Burgos. October 8 through 22 (6 openings)
3. Costa Rica - Beaches, mountains, rainforests, and volcanoes. Full trip: January 29 through Feb 13 (2 openings); Go Ahead Tour portion: February 5 => 13. (5 openings). Note, our price includes excursions AND guide and bus driver gratuities.
4. Scotland - Highlights of Scotland: May 10 => 24 (sorry this trip is full, we are wait-listing interested travelers).
5. Italy - The Amalfi Coast & Sicily: September 13 => 29 (7 openings)

Our trips are open to FULLY vaccinated participants!

If you are interested, don't wait too long as openings will be filled on a first-come, first-served basis. Best to email us to reserve your place versus hoping your completed registration isn't delayed in the mail.

Have a safe and healthy summer and I hope to see you soon on one of our sightseeing, walking, some hiking trips.
