A Message from our President

Hey all. Winter here in the East has been a bit inconsistent, but it's cold now for several days so all our outdoor rec areas should be doing well. The West meanwhile has had some good snow. Now, let's hope the slope companies can hire enough folks to groom and staff the 2022 season.

Our club winter trips to Mt Snow, Vermont; Vail, Colorado and Park City, Utah are good to go. Too many cancellations led to ending efforts to visit Saint Anton in 2022.

We have tried to offer some travel alternatives when other clubs give us the opportunity, and there is not a conflict. Hopefully some of you will take advantage.

Speaking of trips, Sue Lior is arranging our 2022 tennis trip to Hilton Head for April 23-30th.

New or continuing events to look out for in coming months are monthly museum visits, jazz concerts, and talk theater showings.

Also, hold the date as we plan MLSC annual wine & cheese event for May 7th!

Congratulations and a special welcome from the MLSC Board to Judy LaFontaine for her election as Vice President. 🙌

Many of you seem comfortable with our meetings, Sunday tennis, happy hours, wine n' dines and other cultural events. Most important is that each of us stay safe as you individually define that. I'm thinking all of us will be getting back toward "normal" as Covid recedes. For sure that changes what your club can plan.

Best,

Ralph von dem Hagen, President
